Submittal Standards

- ◆ All plans must be submitted in a PDF format.
- ◆ All plans must be submitted in a landscape orientation (horizontal position).
- ◆ All plans must have a space reserved in the upper left corner for City Approval stamps.
- ◆ Resubmittals must use the EXACT same file name as the original.
- ◆ All plans must be drawn to scale and each sheet should state the scale.
- ◆ Plans must be submitted individually using separate file names.
- ◆ Calculations, reports and other supporting documents (non-drawing files) must be submitted as searchable PDF files.
- ◆ Soils and Geotech report for support of the structure must be stamped with current stamp, and signed by an Idaho licensed engineer.

Submittal File Naming Requirements

File Naming Standards allow for easy identification of drawings by naming convention.

- ◆ Files must be print ready, i.e. setup properly for printing with title block, no data outside the print page area, etc.

File Naming Examples for Residential Projects
